

IMPACT-S PENETRANT

Concentrated penetrating solution for the deep cleansing of packed soil poultry house floors and other applicable animal rearing confines.

GENERAL DIRECTIONS

Add IMPACT-S Penetrant to the amount of water indicated in the chart. After thoroughly removing all litter, spray floor avoiding excess puddling. Allow the penetrant to fully soak into the floor before applying the IMPACT-S ACTIVATOR solution.

House Size (sq. ft.)	IMPACT-S Penetrant (Gallons)	Water (Gallons)
10,000 or less	1	800-1,000
10,000-14,000	1.5	1,000-1,200
14,000-16,000	2	1,200-1,400
16,000-20,000	3	1,400-1,800
20,000-25,000	3	1,500-2,000
